Just a point of clarification. If a license plate is denied and active (on the road) a recall is completed upon receiving the denial. A customer can renew their license plate numerous times before replacing the metal which triggers the addition of the plate to the Daily Requisition report. Therefore, for consistency the Req committee will move forward with recalling JAG N OFF if the decision is to deny the original issuance.

Sorry for the late response.

Recall THICCUM (per complaint received and sexually explicit) –

Deny JAGGOFF (sexually explicit)

Also, when JAG N OFF comes up for renewal in 5/22 – please deny as well (sexually explicit) – regardless of the type of car.

Thanks,
